

SMART PARTS

Washable, Reusable Cabin Air Filters

INSTALLATION INSTRUCTIONS PART NO. SP11732

The cabin air filter is located under hood on passenger side.
Installation time: 15 min

- Open hood
- Locate battery cover on passenger side and unlatch spring clips by turning them counter-clockwise to remove the cover
- Locate cabin air filter cover next to removed battery cover and remove the filter cover by pulling it up and out
- Using a Philips screwdriver, remove the metal brace holding the cabin air filter
- Remove old filter
- Install new Smart Parts Washable Reusable Cabin Air Filter (squeeze to fit if needed)
- Reverse above steps to reassemble

This is only a guide. See Owner's Manual and/or your mechanic for exact instructions for your particular model.
