

SMART PARTS

Washable, Reusable Cabin Air Filters

INSTALLATION INSTRUCTIONS PART NO. SP11739

The cabin air filter is located under the glove compartment.
Installation time: 15 min

- Locate and remove two T25 Torx screws which secure the trim panel under the glove box. Carefully snap out the trim panel and remove.
- Locate and remove four T25 Torx screws which secure the filter cover panel and remove panel
- Slide out dirty filter from filter housing
- Install new Smart Parts Washable Reusable Cabin Air Filter (squeeze to fit if needed)
- Reverse above steps to reassemble

This is only a guide. See Owner's Manual and/or your mechanic for exact instructions for your particular model.
