

SMART PARTS

Washable, Reusable Cabin Air Filters

INSTALLATION INSTRUCTIONS PART NO. SP11755

The cabin air filter is located in front of windshield on passenger side.
Installation time: 15 min

- Put wipers in vertical position and turn off ignition
- While hood is closed, gently remove four plastic screw caps and screws which retain the cowl grill, located at base of windshield on passenger side (FIG 1)
- Open hood, locate four plastic screw fasteners along front edge of cowl grill, and remove them (FIG 2)
- Lift cowl grill and disengage the clips which hold the cabin air filter and tilt the front edge of the cover up and forward to remove it (FIG 3, 4)
- Remove old filter
- Install new Smart Parts Washable Reusable Cabin Air Filter making sure it is oriented and seated correctly (FIG 5) (squeeze to fit if needed)
- Reverse above steps to reassemble
