

SMART PARTS

Washable, Reusable Cabin Air Filters

INSTALLATION INSTRUCTIONS PART NO. SP11764

The cabin air filter is located behind the glove compartment
Installation time: 15 min

- Open the glove box
- Remove the screw securing the damper on the right side of the glove box and slide out the damper (FIG 1)
- Push the right side of the glove box then push the left side to release the stoppers
- Unhinge glove box and swing down
- Remove the filter housing cover by pressing latches on both sides (FIG 2)
- Pull out old filter
- Insert new Smart Parts Washable Reusable Cabin Air Filter into housing (squeeze to fit if needed)
- reinstall filter housing cover
- Replace the rest of the glove box assembly by reversing the removal procedure
