

SMART PARTS

Washable, Reusable Cabin Air Filters

INSTALLATION INSTRUCTIONS PART NO. SP11770

The cabin air filter is located behind the glove compartment.
Installation time: 15 min

- Remove passenger side step plate (FIG 1) and lower kick panel (FIG 2)
- Open glove box and remove stops by gently pushing inward and sliding back towards rear (FIG 3)
- Remove two screws from hinges at bottom of glove box to remove the glove box (FIG 4)
- (first installation only) Cut plastic cross bar at each end on perforations using a fine saw blade or heavy duty wire cutters, removing and discarding them (FIG 5,6)
- Remove two 5/16 bolts and two philips screws on each side which secure the metal cross brace. Remove brace by sliding down. (FIG 7,8)
- Unlatch bottom first to open and remove filter access door (FIG 9)
- Remove old filter
- Install new Smart Parts Washable Reusable Cabin Air Filter (squeeze to fit if needed)
- Reverse above steps to reassemble
