

SMART PARTS

Washable, Reusable Cabin Air Filters

INSTALLATION INSTRUCTIONS PART NO. SP11771

The cabin air filter is located on driver's side on side of heater unit by the accelerator pedal
Installation time: 15 min

- Pull driver's side carpet adjacent to accelerator pedal, exposing the heater unit and cabin filter access door
- Locate retaining tab on top of access door and squeeze and pull to remove
- Remove old filter, pulling outward, and second filter by pulling down the outward
- Install new Smart Parts Washable Reusable Cabin Air Filters (squeeze to fit if needed)
- Reverse above steps to reassemble

This is only a guide. See Owner's Manual and/or your mechanic for exact instructions for your particular model.
