

SMART PARTS

Washable, Reusable Cabin Air Filters

INSTALLATION INSTRUCTIONS PART NO. SP11774

The cabin air filter is located behind the glove compartment.
Installation time: 10 min

- Open glove box and carefully press inward on each side, allowing the stops to pull away, allowing the glove box to swing down
- Locate cabin air filter access door and remove by pulling down and towards yourself
- Release tabs which secure old filter and housing and remove old filter and housing
- Install new Smart Parts Washable Reusable Cabin Air Filter (squeeze to fit if needed)
- Reverse above steps to reassemble

This is only a guide. See Owner's Manual and/or your mechanic for exact instructions for your particular model.
