

SMART PARTS

Washable, Reusable Cabin Air Filters

INSTALLATION INSTRUCTIONS PART NO. SP11780

The cabin air filter is located under the glove compartment, behind the kick panel.
Installation time: 10 min

- Locate and remove two screws on underside of glove box which secure the kick plate
- Remove kick plate
- Locate cabin filter access door and unclip tab securing door in place
- Remove door
- Remove old filter by pulling down and out
- Install new Smart Parts Washable Reusable Cabin Air Filter (squeeze to fit if needed)
- Reverse above steps to reassemble

This is only a guide. See Owner's Manual and/or your mechanic for exact instructions for your particular model.
