

SMART PARTS

Washable, Reusable Cabin Air Filters

INSTALLATION INSTRUCTIONS PART NO. SP11781

The cabin air filter is located behind the glove compartment

Installation time: 10 min

- Disconnect the glove box damper from the pivot on the glove box (FIG 1)
- Use a flathead screwdriver to remove the plastic latch on the left side of the compartment
- Push each side of glove box to disconnect the claws (FIG 2)
- Glove box will swing freely down on bottom hinge revealing the air cabin filter tray
- Press on the left and right side tabs to unlock the tray and pull straight out (FIG 3)
- Remove old filter from tray
- Install new Smart Parts Washable Reusable Cabin Air Filter (FIG 4) (squeeze to fit if needed)
- Replace rest of glove box assembly by reversing the removal procedure
