

# SMART PARTS

## Washable, Reusable Cabin Air Filters

### INSTALLATION INSTRUCTIONS PART NO. SP11783

The cabin air filter is located under driver side dashboard by the accelerator pedal  
Installation time: 10 min

- Directly adjacent to the accelerator pedal, pull driver side carpet aside to reveal the heater unit and filter access door
- Remove the door by squeezing the retaining tab on top of the door
- Remove first old filter pulling outward. Remove second filter pulling down first, then outward
- Install new Smart Parts Washable Reusable Cabin Air Filters (squeeze to fit if needed)
- Reverse above steps to reassemble
