

SMART PARTS

Washable, Reusable Cabin Air Filters

INSTALLATION INSTRUCTIONS PART NO. SP11796

The cabin air filter is located under the cover of heater fan on right
Installation time: 45 min

- Remove windshield wiper arms
- Locate and remove four mounting screws on the cowl trim
- If needed, remove the battery holder and remove/push battery out of way
- Raise clamp and remove old filter
- Install new Smart Parts Washable Reusable Cabin Air Filter (squeeze to fit if needed)
- Make sure to avoid water dripping onto filter when reinstalling
- Reverse above steps to reassemble

This is only a guide. See Owner's Manual and/or your mechanic for exact instructions for your particular model.
