

SMART PARTS

Washable, Reusable Cabin Air Filters

INSTALLATION INSTRUCTIONS PART NO. SP11823

The cabin air filter is located in rear hatch of vehicle.

Installation time: 10 min

- Open rear hatch
- On the driver side panel, locate the cabin air filter cover with the thumb latch and pull open
- Remove inner cover if present
- Remove old filter
- Install new Smart Parts Washable Reusable Cabin Air Filter (squeeze to fit if needed)
- Replace cover(s) and close hatch

This is only a guide. See Owner's Manual and/or your mechanic for exact instructions for your particular model.
