

SMART PARTS

Washable, Reusable Cabin Air Filters

INSTALLATION INSTRUCTIONS PART NO. SP11843

The cabin air filter is located under hood on passenger side in front of windshield.
Installation time: 15 min

- Open hood (FIG 1)
- On passenger side of cowl, turn three tabs a quarter turn, allowing you to remove the cowl (FIG 2)
- Using a 3/8 nut driver, remove rubber nut securing front edge of housing to vehicle (FIG 3)
- Using a screwdriver, pry loose left clip on bottom edge of housing to disengage
- To remove housing, pull up and out on housing (FIG 4)
- Press old filter under the tab on top edge to remove it (FIG 5)
- Install new Smart Parts Washable Reusable Cabin Air Filter, tucking it under tab (squeeze to fit if needed)
- Reverse above steps to reassemble
