

SMART PARTS

Washable, Reusable Cabin Air Filters

INSTALLATION INSTRUCTIONS PART NO. SP11845

The cabin air filter is located behind the glove compartment
Installation time: 15 min

- Push each side of glove box to disengage stoppers on each side (FIG 1)
- Locate the plastic cover of the filter tray and unlock it by pressing inward on left and right tabs. Pull the tray straight out (FIG 2)
- Remove old filter (FIG 3)
- Install new Smart Parts Washable Reusable Cabin Air Filter (squeeze to fit if needed)
- Re-secure the filter housing plastic cover
- Raise glove box and push each side to re-engage the stoppers and close glove box
