

# SMART PARTS

## Washable, Reusable Cabin Air Filters

### INSTALLATION INSTRUCTIONS PART NO. SP11864

The cabin air filter is located behind the glove compartment  
Installation time: 10 min

- Open glove box
- On the inside right hand side of the glove box, push the plastic latch of stop wire to unclip it from the glove box
- Push inward on both sides of glove box to disengage the hinges
- Remove filter housing cover by unclipping two latches on bottom edge (FIG 2)
- Pull out old filter from housing and clean housing before installing new filter
- Install new Smart Parts Washable Reusable Cabin Air Filter (squeeze to fit if needed)
- Clip cover back into place
- Clip hinges of glove box back
- Close glove box while pressing inward on sides to engage the stoppers
- Re-install dampener on right side and close glove box
