

# SMART PARTS

## Washable, Reusable Cabin Air Filters

### INSTALLATION INSTRUCTIONS PART NO. SP11872

The cabin air filter is located behind the glove compartment  
Installation time: 15 min

- Open the glove box
- On either side of the glove box, remove the two rubber stopper blocks. Pull it towards you and then out (FIG 1)
- The glove box will freely swing down on its hinges
- Locate the filter housing cover and pull out the upper edge of cover to unclip it and swing the cover down
- Pull out old filter and clean housing
- Install new Smart Parts Washable Reusable Cabin Air Filter (squeeze to fit if needed)
- Close housing cover making sure it clips back into the lock
- Re-engage the stoppers
- Close glove box
